From: The Contractor Safety Awareness Association (CSAA)
Re: 2013 Spring Safety Breakfast -In Your Area

For over 23 years our Province's Pipeline & Utility Companies have been holding annual safety programs across Saskatchewan. Together we will provide a **free** meal, **short** message and **gift** to all attending.

Enclosed is our invitation and reply page to advise us how many from your organization will be attending any of our **free** safety sessions targeting workers by increasing their awareness to:

“Call Before You Dig, Look Up and Live”

Maximum 1 hour (7:30-8:30 AM) towards your annual safety programs is a small commitment, yet it could save a life!

The 18 + member companies forming the CSAA invite you and your staff, regardless if you are a large or a one man operation, to attend and send your staff to any of our strategically located free sessions to reinforce what it takes to work safely around overhead and underground facilities.

Questions? please call 306-352-1260.

**Remember to reply signifying the location and number planning to attend
(by fax the reply sheet to [306-781-7161](tel:306-781-7161) or email csaabreakfasts@live.ca)**

We greatly appreciate your commitment to making SAFETY #1, in sending new and experienced front line workers as well as supervisory and administrative staff.

Sincerely,

Bev Graham for the
