Re: 2014 SPRING SAFETY BREAKFAST IN YOUR AREA

For 25 years our Province's Pipeline & Utility Companies have been holding annual safety programs across Saskatchewan. Together we will provide a *free* meal, short message and gift to all attending.

This is your invitation to bring your crew to these *free* safety sessions targeting workers by increasing their awareness to:

“Call Before You Dig, Look Up and Live”

Please complete the reply page (on reverse) to advise us of the number from your organization that will be attending. Maximum *1 hour (7:30-8:30 AM)* towards your annual safety programs is a small commitment, yet it could save a life!

The 19+ member companies of the CSAA together with the SCGA invite you, regardless if you are a large or a one man operation, to attend and send your staff to any of our strategically located free sessions to reinforce what it takes to work safely around overhead and underground facilities.

QUESTIONS? PLEASE CALL 306-352-1260. Remember to reply signifying the location and number of your organization planning to attend (email info@scga.ca or by fax the reply sheet to 306-781-7161)

We greatly appreciate your commitment to making SAFETY #1, in sending new and experienced front line workers as well as supervisory and administrative staff.

Sincerely,

Bev Graham for the
