

2016 CONTRACTOR SAFETY BREAKFASTS

Invitation extends to: All Managers, Owners, Supervisors, Equipment Operators, and Labourers

For over 25 years, our Provinces Pipeline and Utility companies have been holding their annual spring Contractor Safety Breakfast in locations throughout Saskatchewan. This is your invitation to bring your crew to a **free breakfast** to raise awareness of the **safety issues** in their industry.

“CALL/CLICK BEFORE YOU DIG, LOOK UP AND LIVE!”

Complete the **RSVP online or on the reverse** to advise us the number from your organization that will be attending. The session includes a complementary full breakfast and a brief presentation. The breakfast runs from 7:30 am to 8:30 am and this small commitment to your safety awareness and your safety program could save a life!

The 18 sponsoring companies work together with the SCGA, and are extending this invitation to you regardless if you are a large or small operation. RSVP your attendance and send your staff to any of our strategically located free sessions. This will reinforce your commitment to their safety, and provide important information on how to work safety around underground and overhead facilities.

Remember to register indicating the location and number of people from your organization planning to attend.

We greatly appreciate your commitment to making SAFETY #1 and in sending new and experienced front line workers as well as supervisory and administrative staff to these sessions. There will also be draws for gift cards for everyone who completes a survey after the breakfast and presentation.

Sincerely,

Daryl Posehn
