SCGA Contractor Safety Breakfasts

This year, April Safe Digging month will be kicked off with 28 breakfast events being held across the Province. Thanks to 17 industry supporters that fund these mission critical safety meetings for stakeholders across the province.

This year's video will highlight the benefits of proper project planning all in an effort to work safely and reduce the number of incidents with underground infrastructure. Thanks very much to the SCGA Public Awareness and Education Committee and Chair Graham Biletski for leading this very worthwhile event for the SCGA and its supporters.

[Click here to register today](#) or go to www.scga.ca for more details. Registration is required by **March 25th**.

Ministry of Economy Amendments to the Pipelines Act

The Ministry of Economy is proposing a number of changes to the Pipelines Act that will assist the industry to be safer and more efficient. The SCGA has provided comments and fully supports the effort to mandate all flow and gathering lines to be registered members with Sask 1st Call.

For more information on this important amendment, please click on the following ,

Government of Saskatchewan Declares April Safe Digging Month in Saskatchewan

Minister Joe Hargrave, Minister Crown Investments has supported SCGA's request to declare April as Safe Digging Month in Saskatchewan. Every year there are over 1000 incidents with underground infrastructure, many of which could have been avoided. Let's make this April, and the rest of 2017, as safe as possible!
